

Municipal District of Wainwright No. 61

DIRECTOR OF SAFETY AND UTILITIES

The Municipal District of Wainwright No. 61 is offering an exciting career opportunity with an opening in the position of Director of Safety and Utilities. The Municipal District of Wainwright is a progress rural municipality located in East Central Alberta.

The Director of Safety and Utilities is responsible for formulating and directing the municipality's health and safety program. This position also carries out duties of the Safety Officer of the municipality and supervises the water/wastewater operation of the Hamlets of Fabyan and Greenshields.

The successful candidate should possess several years' senior level administrative experience, preferably in a health and safety field. The position would normally require a high school diploma and certification in a recognized health and safety program. In addition a certificate in Small Systems Water and Waste Water Operations would also be required or a willingness to work towards one. Experience in equipment operation and a practical knowledge of computer operation would be considered an asset. Furthermore, the successful candidate will exhibit effective interpersonal communications skills and possess a valid Alberta Class 5 driver's license.

Applicants may forward their letter of interest and resume prior to 4:30 p.m. on April 24, 2015 to:
