Municipal District of Wainwright No. 61

Rural Routes Supper

The M.D. of Wainwright is proud to offer an evening full of socializing, food and entertainment to celebrate the Agricultural Industry within our local municipality!

M.D. of Wainwright ratepayers are invited to supper followed by the entertainment of comedian Denis Grignon, one of the forces behind "No Foul Language Comedy Tour"

We will also recognize the rural family recipients for the 100 Year Farm Family awards. A silver collection will be accepted for the Wainwright and Area Food Bank. Register by July 29th to be entered into a draw for a \$500 Gift Certificate at a local Agricultural Dealer of the winner's choice.

Denis Grignon performs comedy that's minus the naughty words, cheap put downs and low-brow humor. Denis is an award-winning journalist and former radio reporter and is featured regularly on CBC National Radio and the National Post. He was the head writer for several national awards shows, including Gemini's, which were hosted by Steve "Red Green" Smith. In his 20 plus years as a comedian, Denis has always been more comfortable with an act that works above the neck, not below the belt. It's what his clients are comfortable with also, whether they're major corporations or organizations, rural groups or educators.

Major Sponsors

Registration by July 29th is required by everyone attending. Call the M.D. Office at 780-842-4454 to register, as available space is limited.

Have you seen this weed??

Tall Buttercup is increasing it's presence in the M.D. of Wainwright. Tall Buttercup is classified as a Noxious Weed, control is important to contain present populations and protect unaffected areas. This weed is most prominent in ditches and pasture land. If you suspect any Tall Buttercup please call the M.D. of Wainwright. Invasive plant identification booklets and factsheets can be picked up at the office as well.

Lakeland College Crop Research Field Tour

Date: Friday July 22, 2016

Location: Lakeland's Center for Sustainable Innovation

From 9:00-12:00 you will tour the colleges Cereal Trials that showcase plant growth regulators, controlling foxtail barley in wheat, and wheat in-season fertility. The afternoon tour from 1:00-3:00 showcases the Canola Trials. Learn about the canola management intensity trials along with Bayer and Syngenta's Canola Variety Demo's. Lunch provided at the CSI Center. Contact Veronica at 780-853-8738 for more information or to register.
