

Municipal District of Wainwright No. 61

Approach Installation Agreement

Location of the Approach: _____

I/We _____ agree to enter into this Approach Installation Agreement on the following conditions:

1. Pre-construction and post-construction inspections shall be carried out by the municipality's Director of Transportation or the Director of Safety and Utilities. The operator shall give the municipality at least 48 hours advanced notification of the start and completion of the project. The Director of Transportation or the Director of Safety and Utilities may require a site meeting with the owner/contractor –if required a mutual time shall be arranged for a joint inspection of the project.
2. All approaches are considered to be temporary.
3. All approach proposals are to have permission before construction.
4. The owner/developer shall clearly identify the proposed location of the new approach using stakes and survey/marker tape.
5. The approach shall have the best possible acceptable sight lines as determined by the Director of Transportation or the Director of Public Works or the Director of Safety
6. On a developed road, an approach shall have a culvert (if necessary) with sloped ends, approach side slopes at 5:1 according to the M.D. of Wainwright No. 61 specifications. Culverts shall be installed at the developer's expense.
7. The approach is to be well gravelled with crushed rock unless otherwise stated and constructed with a 12 meters (40 foot) top.
8. No materials for the approach shall be used from the ditch. Top soil shall be stripped before material is used for an approach.
9. No approach to be constructed within 300 metres of an existing approach on the same side of the roadway.
10. The approach owner or contractor shall comply with all Federal, Provincial and Municipal regulations and legislation.
11. Approval of this Approach Installation Agreement is conditional on the work being completed within a 12 month time period. If construction has not been carried out within this time frame, further approval will be required.
12. All heavy oil field construction equipment (pipeline, roadways and lease preparation and reclamation equipment) shall be steam cleaned by the owner/operator prior to entering our municipality in order to assist in the control of the spread of noxious weeds, and pests as defined in the Agricultural Pests Act.
13. The land owner or contractor agrees to save harmless and indemnify the Municipal District of Wainwright No. 61, its Councillors, employees, and/or agents from and against all actions, suits, claims and demands arising from the operation and/or use of the said equipment on the said road allowance(s).
14. The land owner or contractor shall have comprehensive general liability limits of not less than \$5,000,000.00 per occurrence.
15. This Agreement shall ensure to the benefit of and be binding on the heirs, executors, assigns and successors of the Parties hereto, and it is the intention of the Parties that this agreement shall run with the land.

The Municipal District of Wainwright No. 61 is collecting your name, home and or business phone number, personal and or business email address, address, and postal code under the authority of section 4 (c) of Alberta's Protection of Privacy Act. This information will be used to communicate with you regarding municipal services, account inquires, programs, or any other municipal operating program or activity. The Municipality may disclose your personal information where permitted or required to by law, including either the Access to Information Act or Protection of Privacy Act. If you have any questions about the collection of your personal information, you may contact the Privacy Officer at the Municipal District of Wainwright No. 61 at 780 842 4454.
